

What do you envision for your future?

Now we are looking for

Finance Intern

To be based in

Amersham, United Kingdom

This is an excellent opportunity to gain experience working in a global organization and business covering different aspects of Finance for a period of up to 12 months starting July 2013. The location is GE Healthcare Global HQ in Amersham, outside London, UK. Any accommodation or travel costs are not covered by GE. We can accommodate phone interviews and interviews by Skype and Telepresence.

Essential Responsibilities

The Internship will allow the candidate to spend a formative 12 months gaining valuable skills and building their knowledge base. The internship role will be focused on supporting the Finance Manager for UKI & Nordic for GE Healthcare IT business.

This role will give the opportunity to take full ownership of forecasting and reporting processes, requiring the candidate to leverage their leadership and organizational skills. In particular the role will have significant exposure to regional Management Teams, Operational Teams, and Finance Leaders in both UKI & Nordic Region. Depending on skillset and leadership skills there will also be opportunity to get involved in multiple commercial areas incl solution pricing, inventory management, process improvement amongst other.

We are looking for a senior candidate that can execute with minimal supervision and drive processes with input from operational management teams. In addition an analytical mind will be crucial to succeed in this complex environment.

Qualifications/Requirements

- Superior academic achievement; degrees in Finance, Accounting, Business Studies, Economics, Mathematics or Engineering preferred
- Demonstrated interest and competency in Finance.
- Ability to lead and work towards an end goal with strong time-management skills.
- Willing to push themselves by working with an extensive network of people.
- Excellent communication, interpersonal and influencing skills.
- Flexible and adaptable, self-motivated and driven.
- Fluent in English, written and spoken.
- Must have unrestricted authorization to work in Europe.

Desired Characteristics

- Any additional European language would be advantageous.

Can you help us achieve our goal of 100% customer satisfaction?
