

## Zurich Insurance

*Zurich Insurance Group (Zurich) is a leading multi-line insurance provider with a global network of subsidiaries and offices in Europe, North America, Latin America, Asia-Pacific and the Middle East as well as other markets. It offers a wide range of general insurance and life insurance products and services for individuals, small businesses, mid-sized and large companies as well as multinational corporations. Zurich employs about 60,000 people serving customers in more than 170 countries. The Group, formerly known as Zurich Financial Services Group, is headquartered in Zurich, Switzerland, where it was founded in 1872. The holding company, Zurich Insurance Group Ltd (ZURN), is listed on the SIX Swiss Exchange and has a level I American Depositary Receipt program which is traded over-the-counter on OTCQX. Further information about Zurich is available at [www.zurich.com](http://www.zurich.com).*

### **Zurich Nordic, Stockholm**

Zurich Global Corporate Nordic offers both standardized, individually adapted local programs and global insurance programs. Our customers are mainly international companies, large Swedish industries and other companies with specially formulated insurance solutions. We work directly with customers or brokers, as well as with companies within the Zurich network. Our group language is English.

Zurich Nordic Stockholm is looking for students for part time job within our Network HUB Sweden.

The work mainly involves working alongside the Hub Motor and Hub Claims teams and booking claims reported by one of Zurich's partner companies. The claims need to be thoroughly checked for accuracy and completeness, and then booked into the IPS system.

You will be hired on an hourly basis and the working occasions are flexible. We prefer that you are able to work approximate 1-2 days a week.

### **Qualifications**

- Communicative and flexible
- Self-motivated and thorough
- Ability to co-operate with both colleagues and occasionally with International partners
- Fluent in English
- Good computer skills
