

Lionbridge Internet Assessor

Type: Part-time, Freelance

Duration: On-going

Lionbridge Technologies, Inc. (Nasdaq: LIOX) is a leading provider of globalization and testing services. Based in Waltham, Mass., Lionbridge now maintains more than 50 solution centers in 25 countries and provides services under the Lionbridge and VeriTest brands.

To learn more, visit <http://www.lionbridge.com>

The team at Lionbridge Technologies with solution centres in 25 countries worldwide is recruiting **part-time** self-employed workers who are fluent speakers in **English & Swedish** who are based in **Sweden** to join its team of **Internet Assessors**.

Requirements:

- Fluency in English & Swedish is essential
- We are seeking people who have access to the internet, and are confident in using the Internet
- Background in IT is helpful but not essential
- For cultural and historical awareness purposes you must be resident in **Sweden** for the last 5 consecutive years

The main aim of the work is to improve the quality of a search engine's results for all web users worldwide. The work involves evaluating results of a web search, for their appropriateness to the search query input. You will be required to provide feedback i.e. your opinion of the result displayed.

The hours are flexible to fit around your family and home life, and the position is ideal for someone looking for a work-life balance (10-20 hours per week).
