

We look forward to welcoming you in sunny Provence!

IS Aix-en-Provence is moving!

2015 will start off on a strong note for **IS Aix-en-Provence** at new premises on [30 Avenue des Ecoles Militaires](#) in Aix-en-Provence, not very far from the area we are now, about a 5 minute walk further from the town centre.

Two bus lines serve the school with the bus stop right in front of the school entrance. A few shops, bakeries and a restaurant are close by as well as the Torse gardens and the municipal swimming pool.

Gare Routière

IS Aix-en-Provence

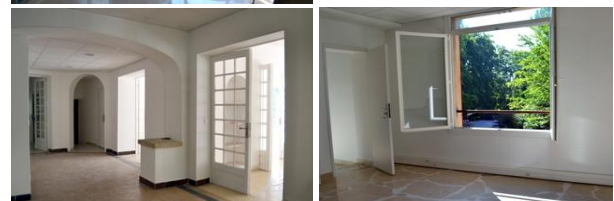

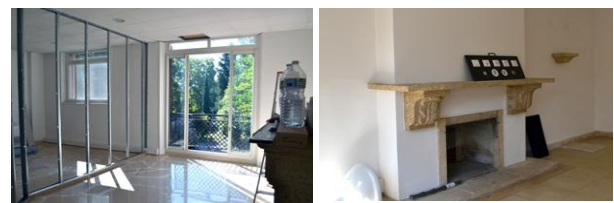

The name of the building is "Le Vieux Lavoir": it reflects the origins of the place where the Provencal women came to do their laundry, and the remains are still in the beautiful garden.

Today it is a building combining the charm of ancient with the comforts of new.

The students will enjoy 16 equipped and air conditioned classrooms on three floors, a Multimedia Resources Centre next to a sunny terrace, a second terrace with morning sun as well as a green garden with its small pond.

The size is approximately the same as the present premises, but the new ones are adapted to students with reduced mobility; including students in wheelchairs who will appreciate access to all services as well as the spacious elevator with the reserved parking next to the entrance.

Soon finished and full of students!
