GUNNAR ANDERSSON

PERSONAL INFORMATION DEC 2017

Work address:	Stockholm University, Department of Sociology
	106 91 Stockholm, Sweden
Telephone • email:	0046 8 163261 • 0046 73 768 5724 • gunnar.andersson@sociology.su.se
	www.suda.su.se; www.su.se/profiles/gande
Nationality:	Swedish
Born:	1962 in Hallsberg, Sweden

ACADEMIC DEGREES

2009	Professor in Demography at Stockholm University
2005	Associate Professor (Docent) in Demography at Stockholm University
1999	Ph.D. (Fil. Dr.) in Demography at Stockholm University. Thesis title: "Trends in Childbearing and Nuptiality in Sweden: A Period Analysis". Supervisor: Professor Jan M. Hoem
1997	Fil. Lic. in Demography at Stockholm University. Thesis title: "Nuptiality Trends in Sweden, 1971-1995"
1989	B.Sc. (Fil. Kand.) in Statistics at Lund University

PROFESSIONAL HISTORY

Head of Stockholm University Demography Unit (SUDA) since 2013. Lecturer in Demography at Stockholm University since 2006. Coordinator of Stockholm University SIMSAM Node for Demographic Research, as part of the Swedish Initiative for research on Microdata in the Social and Medical Sciences (SIMSAM). Associate Director of Stockholm University Linnaeus Center on Social Policy and Family Dynamics in Europe, SPaDE. Previously Research Scientist during seven years at the Max Planck Institute for Demographic Research, Rostock. Also seven years experience of forecasting and demographic analyses for the County Council of Stockholm.

RESEARCH TOPICS

- Family policies and fertility behavior in the Nordic countries
- Family dynamics and life-course perspectives in Europe
- Childbearing and migration: fertility patterns of foreign-born women
- The demographics of same-sex partnerships
- Sex preferences for children and family dynamics

APPOINTMENTS, CAREER HISTORY AND CONTENTS OF WORK

Aug 2006 – present: **Stockholm University Department of Sociology**

- Head of Stockholm University Demography Unit, SUDA (www.suda.su.se).
- Director of PhD studies in Sociological Demography
- Associate Director, Linnaeus Center on Social Policy and family Dynamics in Europe, SPaDE (see www.su.se/spade).
- Project coordinator, Register-based Research in Nordic Demography, financed through the Swedish Initiative for research on Microdata in the Social and Medical Sciences, SIMSAM (see www.suda.su.se/simsam).
- Member of the management team of the EU-financed FP7 project FamiliesAndSocieties (www.familiesandsocieties.eu).
- PI of the Forte program "Ageing well - individuals, families and households under changing demographic regimes in Sweden".
- Steering committee member of the Forte program "Migrant Trajectories: Geographical Mobility, Family Careers, Employment, Education, and Social Insurance in Sweden 1990-2016".
- Lecturer in Demography.
- Supervisor of Ph.D. and Master's students.
- Coordinator of the Multi-disciplinary Master's Program in Demography at Stockholm University in 2008.
- Teacher of "Population Development and Social Change" in the Multi-disciplinary Master's Program in Demography in 2006-2017.
- Teacher of "Family Dynamics in a Changing Europe" in the Master's Program in 2006-2008. In 2007, the course was given simultaneously at Stockholm University and University of Wisconsin-Madison, by means of video classes.
- Teacher of "Introduction to Event-history Analysis" in the Master's Program in 2007, 2008, 2010 and 2011.
- Editor of *Stockholm Research Reports in Demography*.
- Editor of SPaDE Working Paper series.
- Organiser of Colloquium Series, Fall 2007, 2008, 2009 and Spring 2011.
- Organizer of project workshops and workshop on "Economic Uncertainty and Family Dynamics", Berlin, July 2009; workshop on "Register-based Demographic Research", Stockholm, September 2010; Framtidsfokus on marriage, Stockholm, September 2010; "Introduction to Population Issues and Population-related Policies of Sweden" for the Chinese National Population and Family Planning Commission, Stockholm, November 2010; "New Developments in Register-based Demographic Research", Stockholm, June 2015; "New Developments in Register-based Education Research", Stockholm, April 2017.
- Member of organization committee for the European Population Conference in Stockholm, EPC 2012.
- Associate Director of the Swedish Generations and Gender Programme.

Oct 1999 – April 2007: **Max Planck Institute for Demographic Research – Research Scientist**

- Senior Research Scientist in the Laboratory of Contemporary European Fertility and Family Dynamics; research on such dynamics mainly based on longitudinal analyses of register data of the Nordic countries.
- Head of a Research Team on Transnational Vital Events, in collaboration with Professor Caroline Bledsoe of Northwestern University, 2004-07.

- Convenor of the Laboratory's working group for analyses on register data.
- Member of a working group in 2000-01 to develop questionnaires for the European "Generations and Gender Programme".
- Supervisor/mentor of several Ph.D. students.
- Teacher in charge of "Introduction to regression analysis for duration data (event-history analysis)" at the International Max Planck Research School for Demography in 2002-03, 2003-04, and 2004-05.
- Teacher in charge of "Regression analysis for duration data incorporating selectivity/unobserved heterogeneity" at the International Max Planck Research School for Demography and Stockholm University in 2005-06. Assistant teacher to Professor Jan M. Hoem at the same course in 2000-01 and 2001-02 at IMPRSD.
- Organiser of the Rostock Demographic Colloquium Series for the winter semester 2002-03.
- Organiser of the Workshops on "Contemporary Research on European Fertility", April 2004; on "Nordic Population Research at SCB and MPIDR", November 2004; and the Symposium on "The Demography of Europe", November 2007.

Jan 1994 – Oct 1999:
Jan 1994 – Jan 1998 on half-time, subsequently on full-time

Stockholm University Demography Unit (SUDA) – Ph.D. Candidate

- Ph.D. student participating in the course program at SUDA.
- Research assistant in projects headed by Professor Jan M. Hoem and sponsored by grants from the Swedish Council for Social Research, 1994-98, the Research Foundations of Svenska Handelsbanken, 1998, and the Swedish Council for Research in the Humanities and the Social Sciences, 1999.
- Lecturer in charge of the population-forecasting courses given at SUDA in 1998 and 1999. Teacher in the same course also in 1996 and in a similar course at the Royal Institute for Technology in 1998.
- Administrator of the graduate-course program in Demography (as "Studierektor" at the Demography Unit) during Spring Term 1999.

Jan 1994 – Jan 1998:
Half-time employed

Inregia AB (The Institute for Regional Analysis) – Consultant

- Responsible for the annual population forecast for the County Council of Stockholm: for the whole county and for sub-areas within the county. Reported in: *Prognos 94(95,96,97): Befolkningen i Stockholms län och kommunerna*. Statistik om Stockholms län, 1994(95,96,97), Stockholms läns landsting.
- Population forecasts for various municipalities in the Stockholm region: Sundbyberg, Danderyd, Ekerö, Järfälla, Sollentuna.
- Long-term population scenarios for the County of Stockholm and for the rest of Sweden, disaggregated into smaller geographical areas.
- Various demographic studies for Regionplane- och trafikkontoret (RTK), Kommunförbundet, etc.

Nov 1990 – Dec 1993:

Regionplane- och trafikkontoret (The Office of Regional Planning and Urban Transportation) – Statistician

- Annual population forecasts for the County Council of Stockholm: for the whole county and for sub-areas within the county. Reported in: *Prognos 91(92,93): Befolkningen i Stockholms län och kommunerna*. Statistik om Stockholms län, 1991(92,93), Stockholms läns landsting.
- Long-term population scenarios for the County of Stockholm and for the surrounding counties, disaggregated into smaller geographical areas.

OTHER POSITIONS AND ACTIVITIES

2001	Honorary Fellow at the Department of Sociology, University of Wisconsin-Madison, 10 weeks.
2001	Member of the reference group for and participant in the editorial group of the fertility investigation of the Swedish Ministry of Health and Social Affairs: Barnafödandet i fokus: Från befolkningspolitik till ett barnvänligt samhälle, DS 2001:57, Fritzes, Stockholm.
2005	Consultant for the "Study on Population Related Matters – A Study on Policies and Practices in Selected Countries that Encourage Childbirth" for the Government of Hong Kong Special Administrative Region.
2000 – present	Organizer of Nordic network of researchers from Sweden, Norway, Denmark, Iceland, and Finland investigating family-demographic developments on the basis of register data from these countries.
2009 and 2018	Visiting Fellow, Australian Demographic and Social Research Institute at the Australian National University, January through March 2009 and January-February 2018.
2010 – present	Board member, National SIMSAM Steering Group.
2010 – present	Board member, SINGS, The Swedish Interdisciplinary Graduate School in Register-based Research.
2011– 2016	Member of "Evaluation Panel 5" of the Council for Research Infrastructures at the Swedish Research Council.
2016-2018	Member of the Social Sciences and Humanities Granting Committee for independent projects of the Research Council of Norway.
2012–	Member of the Council of Advisors to *Population Europe*.
2013–2015	Member of the user board for Population, Demography and Education at Statistics Sweden.
2013	Recipient of the Mattei Dogan Foundation Award for Comparative Research in Demography, by the International Union for the Scientific Study of Population (IUSSP). http://www.iussp.org/node/6521
2014	Visiting researcher, Wissenschaftszentrum Berlin für Sozialforschung (WZB), with research project at the Research Data Centre (FDZ) of the German Federal Employment Agency, July.
2016	Visiting professor, Mie University Graduate School of Medicine, November.

MAJOR GRANTS

Register-based Research in Nordic Demography. 24.7 M SEK granted by the Swedish Research Council, Vetenskapsrådet, by means of the Swedish Initiative for research on Microdata in the Social and Medical Sciences (SIMSAM), for the period 2008-2013.

Stockholm University SIMSAM Node for Demographic Research (SUNDEM). 25.0 M SEK granted by the Swedish Research Council, Vetenskapsrådet, by means of the Swedish Initiative for research on Microdata in the Social and Medical Sciences (SIMSAM), for the period 2014-2018.

Co-applicant with Professor Elizabeth Thomson for Linnaeus Center on Social Policy and Family Dynamics in Europe (SPaDE). 70 M SEK granted by the Swedish Research Council, Vetenskapsrådet, for the period 2008-2018.

Welfare, Labor-market Status and Family Dynamics. 2.5 M SEK during 2009-2011. Swedish Council for Working Life and Social Research.

Swedish families in the past and present: Family structure and kinship over 250 years (with Martin Kolk). 3.03 M SEK during 2014-2016. Swedish Research Council for Health, Working Life and Welfare.

Ageing well - individuals, families and households under changing demographic regimes in Sweden. 9 M SEK during 2017-2019. Program grant from the Swedish Research Council for Health, Working Life and Welfare, FORTE.

Co-applicant with Professor Bo Malmberg for Migrant Trajectories: Geographical Mobility, Family Careers, Employment, Education, and Social Insurance in Sweden 1990-2016. 9 M SEK during 2017-2019. Program grant from the Swedish Research Council for Health, Working Life and Welfare, FORTE.

SELECTED INVITED PRESENTATIONS

“Life-table representations of family dynamics in the 21st century”. Presentation for the Understanding Society UKHLS Conference, Essex 11– 13 July 2017.

“Sweden 10 Million – with many well-recorded demographic events”. Keynote presentation at PopFest 2017, The 25th Annual Population Postgraduate Conference of the British Society for Population Studies, Stockholm 31 May– 2 June 2017.

“Nordic Demographic Societies: Small populations, great data”. Keynote presentation at the Population Days of the Italian Association for Population Studies, Florence 8 February 2017.

“Demographic data and demographic challenges: The Nordic case”. Presentation for the Mie

University Graduate School of Medicine, 28 November 2016.

"Gender change and policy change in relation to fathers: The Nordic case". Keynote plenary presentation to the 42nd Quetelet Conference 2016 on Men's perspectives in unions, fertility and parenthood, Louvain-la-Neuve 9-10 November 2016.

"Causation in demography: Micro and macro perspectives". Forte Network Meeting on Methodological issues in registry-based research, Ystad 8-9 September 2016.

"One for all: Marriage in Sweden / Eine für Alle: Die Ehe in Schweden". Presentation to the Friedrich-Ebert-Stiftung in Berlin, 7 November 2014.

"Demographic challenges: The case of Sweden". Keynote lecture to Sweden-Kyoto Symposium at Stockholm University, 11-12 September 2014.

"Social policy and fertility in Sweden / Familjepolitik och barnafödande i Sverige". Presentations to students, Swedish-language teachers and Swedish Institute alumni in St. Petersburg, 22 November 2013.

"Comparative research in Demography". Award presentation to the XXVIIth IUSSP conference in Busan, Korea, 31 August 2013.

"Human fertility and social contexts: The northern countries". Presentation to the Presidency of Portugal at the Lisbon Conference on European and Portuguese Fertility Decline. Cascais, February 2012.

"National civil registration and vital statistics in Sweden and the other Nordic countries". Paper presented at *Lundis de l'Ined*, Ined, Paris, June 2010.

"International migration and family-demographic change: The case of Sweden". Presented to Postgraduate Training Seminar in Demography, Statistics and Health at Centro de Ciencias Humanas y Sociales, Madrid, March 2010.

"Childbearing and family policy in times of economic recession" [Barnafödande och familjepolitik i kristider]. Presentation at research seminar of the National Social Insurance Agency, "Global Crisis: Are the Welfare Systems Robust?", Umeå, January 2010. Also presented as broadcasted public lecture at Stockholm University, November 2011.

"Welfare, labor-market status and fertility in Scandinavia". Presented at Australian Demographic and Social Research Seminar at the Australian National University, Canberra, March 2009.

"Family forerunners? Family dynamics in the Nordic countries versus Europe". Keynote plenary presentation to *The 16th Nordic Demographic Symposium*, Helsinki, June 2008.

"Muslim integration and fertility in Sweden". Presented to the workshop on *Muslim Integration in Europe: The Demographic Dimension*, organized by the Brookings Institution and the Council on Foreign Relations, American Academy in Berlin, April 2008.

"Family policies and fertility in Sweden". Presented to the international conference *Fertility and Public Policy: How to Reverse the Trend of Declining Birth Rates*, organized by Hitotsubashi University and CESifo, Munich, February 2008.

OVERVIEW OF PRESENTATIONS AT CONFERENCES & PROFESSIONAL MEETINGS

Presentation of papers by giving talks at professional meetings:

The annual meetings of the Population Association of America in Dallas, 2010, Los Angeles, 2006, Boston, 2004, Minneapolis, 2003, Washington DC, 2001, and New York, 1999.

The XXVIIth, XXVIth, XXVth, and XXIVth IUSSP General Population Conferences in Busan, 2013, Marrakech, 2009, Tours, 2005, and Salvador de Bahia, 2001.

The European Population Conferences in Mainz, 2016, Budapest, 2014, Stockholm, 2012, Wien, 2010, Barcelona, 2008, Liverpool, 2006, Warsaw, 2003, and The Hague, 1999.

The 20th, 19th, 18th, 17th, 16th, 15th, 14th, 13th, and 11th Nordic Demographic Symposiums in Finland 2017, Denmark, 2014, Norway, 2012, Sweden, 2010, Finland, 2008, Denmark, 2005, Norway, 2001, Sweden, 1999, Finland, 1995.

The 8th Nordic Meeting in Epidemiology and Registry-based Research, NordicEpi, in Lund, 2017.

Nordiska statistikermötet 2007, Reykjavik.

The 37th World Congress of the International Institute of Sociology in Stockholm, 2005.

The 2004 European Social Science and History Conference in Berlin.

Presentations at specific workshops/conferences:

Workshop on Lowest Low Fertility, 1999, Rostock, Germany.

NOSOSKO Conference on Childbearing in the Nordic Countries ("Barnafödande i Norden"), 2001, Stockholm.

The 1st and 3rd Conference of the European Research Network on Divorce in Florence, 2002, and Köln, 2004.

"Das vernachlässigte Geschlecht in der Familienforschung: Analysen zum Heirats- und Geburtenverhalten von Männern in Deutschland", 2003, Rostock.

Recent Fertility Trends in Northern Europe, 2003, Oslo.

Day of Swedish Demography, 2003 and 2009, Statistics Sweden, Stockholm.

Registered Partnerships and Same-Sex Marriages in Europe, 2003, Stockholm University.

Contemporary Research on European Fertility, 2004, Rostock.

Theory and Practice of the Censuses in Bulgaria, 2004, Veliko Tarnovo, Bulgaria.

Nordic Population Research at Statistics Sweden and MPIDR, 2004, Rostock.

What's New about European Demography? Seminar in Riga, 2005, organized by the Nordic Council of Minister and the French Embassy.

The Family in the Future – the Future of the Family: The Gender Story, 2005, Stockholm.

Life History Events Analysis in Epidemiology and Fertility Studies, 2005, Bordeaux.

Interdependencies in the Life Course: Family Dynamics, Childbearing, and Spatial Mobility, 2006, Rostock.

8. GVG-Euroforum on Familienpolitik und soziale Sicherung in Europa, Gesellschaft für Versicherungswissenschaft und -gestaltung, 2006, Berlin.

International Conference Demographic Change, Leibniz Gemeinschaft, 2007, Berlin.

Social Exclusion and the Changing Demographic Portrait of Europe, EAPS, 2007, Budapest.

Changes in Family Structures, Fertility Trends and Parenthood Practices in the Nordic Countries, 2007, Klaekken/Oslo.

Can Policies Enhance Fertility in Europe?, Vienna Institute of Demography, 2007.

Fertility and Public Policy: How to Reverse the Trend of Declining Birth Rates, Hitotsubashi University and CESifo, 2008, Munich.

Muslim Integration in Europe: The Demographic Dimension, the Brookings Institution and Council on Foreign Relations, American Academy in Berlin, 2008.

Family Changes in Industrialized Countries, Centre for Advanced Study at the Norwegian Academy of Science and Letters, 2008, Windsor, UK.

Global Crisis: Are the Welfare Systems Robust?, National Social Insurance Agency, 2010, Umeå.

Framtidsfokus on Marriage, SUDA and the Institute for Futures Studies, 2010, Stockholm; broadcasted by *Utbildningsradion* at the Swedish National Television.

Meeting on the Low Danish Birth Rates: Causes, Relationships and Social Perspectives, Rigshospitalet, 2011, Copenhagen.

Lisbon Conference on European and Portuguese Fertility Decline, 2012, Cascais.

NECTAR Conference on Dynamics of Global and Local Networks, 2013, St. Miguel, Azores.

Symposium on Considerations for an Approach to the Issue of Low Fertility based on Evidence in Japan, 2016, Tsu, Mie Prefecture, Japan.

Invited presentations at colloquiums etc.:

Australian Demographic and Social Research Institute, Canberra.

Center for Demography and Ecology at University of Wisconsin-Madison.

Centre for Population Change at University of Southampton.

Centre for Population Studies at Umeå University.

Centro de Ciencias Humanas y Sociales, Madrid.

Department of Economic History at Lund University.

Institut für Demographie der Österreichichen Akademie der Wissenschaften, Wien.

Institut national d'études démographiques, Paris.

Institute for Gender Studies, London School of Economics.
