

| Week | Day   | Date   | Time  |       |       |       |       |   |       |
|------|-------|--------|---|-------|-------|-------|-------|---|-------|
|      |       |        | 09:00   | 10:00 | 11:00 | 12:00 | 13:00 | 14:00   | 15:00 |
| 35   | Mon   | 28_Aug |   |       |       |       |       | Course Intro (DD) /Protein synthesis 1 (DD) Room: K439-K433 |       |
|      | Tues  | 29_Aug | Work on literature assignment                                 |       |       |       |       | Work on literature assignment                               |       |
|      | Weds  | 30-Aug | Work on literature assignment                                 |       |       |       |       | Protein synthesis 2 (DD) Room: K439-K433                    |       |
|      | Thurs | 31-Aug | Work on literature assignment                                 |       |       |       |       | Work on literature assignment                               |       |
|      | Fri   | 01-Sep | Work on literature assignment                                 |       |       |       |       | Protein trafficking 1 (DD) Room: K439-K433                  |       |
| 36   | Mon   | 04-Sep | Work on literature assignment                                 |       |       |       |       | Protein trafficking 2 (DD) Room: K439-K433                  |       |
|      | Tues  | 05-Sep | Work on literature assignment                                 |       |       |       |       | Work on literature assignment                               |       |
|      | Weds  | 06-Sep | Work on literature assignment                                 |       |       |       |       | Protein trafficking 3 (EH) Room: K439-K433                  |       |
|      | Thurs | 07-Sep | Work on literature assignment                                 |       |       |       |       | Work on literature assignment                               |       |
|      | Fri   | 08-Sep | Protein trafficking 4 (EH) OBS starts at 9:30 Room: K439-K433 |       |       |       |       | Work on literature assignment                               |       |
| 37   | Mon   | 11-Sep | Work on literature assignment                                 |       |       |       |       | Protein folding (MO) Room: K439-K433                        |       |
|      | Tues  | 12-Sep | Work on literature assignment                                 |       |       |       |       | Work on literature assignment                               |       |
|      | Weds  | 13-Sep | Work on literature assignment                                 |       |       |       |       | Protein assembly (DD) Room: K439-K433                       |       |
|      | Thurs | 14-Sep | Work on literature assignment                                 |       |       |       |       | Work on literature assignment                               |       |
|      | Fri   | 15-Sep | Work on literature assignment                                 |       |       |       |       | Molecular chaperones (EG) Room: K439-K433                   |       |
| 38   | Mon   | 18-Sep | Work on literature assignment                                 |       |       |       |       | Protein turnover (EG) Room: K439-K433                       |       |
|      | Tues  | 19-Sep | Work on literature assignment                                 |       |       |       |       | Work on literature assignment                               |       |
|      | Weds  | 20-Sep | Protein structures 1 (recorded lecture MH)                    |       |       |       |       | Tutorial (MH) Room: K439-K433                               |       |
|      | Thurs | 21-Sep | Work on literature assignment                                 |       |       |       |       | Work on literature assignment                               |       |
|      | Fri   | 22-Sep | Protein structures 2 (recorded lecture MH)                    |       |       |       |       | Tutorial (MH) Room: K439-K433                               |       |
| 39   | Mon   | 25-Sep | Hand in literature assignment                                 |       |       |       |       | Protein production & biotechnology (DD) K439-K433           |       |
|      | Tues  | 26-Sep | Work on literature assignment                                 |       |       |       |       | Protein structure & function 1 (RH) Room: K439-K433         |       |
|      | Weds  | 27-Sep | Work on literature assignment                                 |       |       |       |       | Protein structure & function 2 (RH) Room: Magneli           |       |
|      | Thurs | 28-Sep | Work on literature assignment                                 |       |       |       |       | Work on literature assignment                               |       |
|      | Fri   | 29-Sep | Presentation of literature assignment                         |       |       |       |       | Presentation of literature assignment                       |       |
| 40   | Mon   | 02-Oct | Lab practicals (see separate schedule)                        |       |       |       |       | Lab practicals (see separate schedule)                      |       |
|      | Tues  | 03-Oct | Lab practicals (see separate schedule)                        |       |       |       |       | Lab practicals (see separate schedule)                      |       |
|      | Weds  | 04-Oct | Lab practicals (see separate schedule)                        |       |       |       |       | Lab practicals (see separate schedule)                      |       |
|      | Thurs | 05-Oct | Lab practicals (see separate schedule)                        |       |       |       |       | Lab practicals (see separate schedule)                      |       |
|      | Fri   | 06-Oct | Lab practicals (see separate schedule)                        |       |       |       |       | Lab practicals (see separate schedule)                      |       |
| 41   | Mon   | 09-Oct | Lab practicals (see separate schedule)                        |       |       |       |       | Lab practicals (see separate schedule)                      |       |
|      | Tues  | 10-Oct | Lab practicals (see separate schedule)                        |       |       |       |       | Lab practicals (see separate schedule)                      |       |
|      | Weds  | 11-Oct | Lab practicals (see separate schedule)                        |       |       |       |       | Lab practicals (see separate schedule)                      |       |
|      | Thurs | 12-Oct | Lab practicals (see separate schedule)                        |       |       |       |       | Lab practicals (see separate schedule)                      |       |
|      | Fri   | 13-Oct | Lab practicals (see separate schedule)                        |       |       |       |       | Lab practicals (see separate schedule)                      |       |
| 42   | Mon   | 16-Oct | Lab practicals (see separate schedule)                        |       |       |       |       | Lab practicals (see separate schedule)                      |       |
|      | Tues  | 17-Oct | Lab practicals (see separate schedule)                        |       |       |       |       | Lab practicals (see separate schedule)                      |       |
|      | Weds  | 18-Oct | Lab practicals (see separate schedule)                        |       |       |       |       | Lab practicals (see separate schedule)                      |       |
|      | Thurs | 19-Oct | Lab practicals (see separate schedule)                        |       |       |       |       | Lab practicals (see separate schedule)                      |       |
|      | Fri   | 20-Oct | Lab practicals (see separate schedule)                        |       |       |       |       | Lab practicals (see separate schedule)                      |       |
| 43   | Mon   | 23-Oct | Oral presentation of lab practicals Room: K441-K447           |       |       |       |       | Oral presentation of lab practicals Room: K439-K433         |       |
|      | Tues  | 24-Oct | Finalise lab reports and study for exam                       |       |       |       |       | Finalise lab reports and study for exam                     |       |
|      | Weds  | 25-Oct | Finalise lab reports and study for exam                       |       |       |       |       | Finalise lab reports and study for exam                     |       |
|      | Thurs | 26-Oct | Exam in K439-K433   |       |       |       |       |   |       |
|      | Fri   | 27-Oct |   |       |       |       |       |   |       |

04-Dec Re-exam
