

Dear all,

The organizing committee of the Gender Academy Postdoc Network (Lia Bahizi, Elin Bergman, and Sara Pärsson) would like to invite you all to the spring programme of the network. We wish to address two main issues that we believe all have experienced: the lack of dedicated time for writing as well as the need for a social hub with peers in the postdoctoral phase. We therefore invite you to a series of writing sessions every other Friday held at Gula villan on campus (code 1713), with the first session 27/3:

27/3, 9-12, room Otus

10/4, 9-12, room Strix

24/4, 9-12, room Strix

8/5, 9-12, room Strix

5/6, 9-12, room Strix

The format is based on the “Finish on time” method with three working units á 45 minutes of focused writing and a generous fika break after the first session where coffee/tea and a breakfast sandwich will be served.

Unit 1 09.05–09.50

FIKA 9.50–10.20

Unit 2 10.20–11.05

Unit 3 11.10–11.55

You are welcome to join without a sign up, and if you arrive late you can join at break time. The writing sessions welcome researchers in the postdoctoral stage, primarily at Stockholm University, with the aim to establish connections and exchange experiences with postdoc colleagues across disciplines.

For the end of May we are planning a talk with an invited guest, and we welcome any suggestions on topics and/or speakers!

We look forward to work separately together and connect at Gula villan this spring!
