

| Date   | Day       | Program - 10.00-12.00 (U13)          | Program - 13.00 - 15.00 (U13)        |
|--------|-----------|--------------------------------------|--------------------------------------|
| 23-Mar | Monday    | L1 - Introduction                    |                                      |
| 24-Mar | Tuesday   | L2 - Stress, strain, and deformation | E1 - Stress, strain, and deformation |
| 25-Mar | Wednesday | L3 - Rheology                        | E2 - Rheology                        |
| 26-Mar | Thursday  | L4 - Geol. maps and cross sections   | E3 - Geol. maps and cross sections   |
| 27-Mar | Friday    | <i>Reading days</i>                  |                                      |
| 28-Mar | Saturday  | WE                                   |                                      |
| 29-Mar | Sunday    | WE                                   |                                      |
| 30-Mar | Monday    | L5 - Projection of structural data   | E4 - Projection of structural data   |
| 31-Mar | Tuesday   | L6 - Brittle deformation and faults  | E5 - Brittle deformation and faults  |
| 1-Apr  | Wednesday | L7 - Folding and boudinage           | E6 - Folding and boudinage           |
| 2-Apr  | Thursday  | L8 - Ductile shear zones             | E7 - Ductile shear zones             |
| 3-Apr  | Friday    | Långfredag                           |                                      |
| 4-Apr  | Saturday  | WE                                   |                                      |
| 5-Apr  | Sunday    | WE                                   |                                      |
| 6-Apr  | Monday    | Annandag påsk                        |                                      |
| 7-Apr  | Tuesday   |                                      | <i>Reading day</i>                   |
| 8-Apr  | Wednesday | L9 - Structural analysis             | E8 - Structural analysis             |
| 9-Apr  | Thursday  | L10 - Structural analysis            | E9 - Structural analysis             |
| 10-Apr | Friday    |                                      | <i>Reading day</i>                   |
| 11-Apr | Saturday  | WE                                   |                                      |
| 12-Apr | Sunday    | WE                                   |                                      |
| 13-Apr | Monday    |                                      | <i>Review lecture</i>                |
| 14-Apr | Tuesday   |                                      |                                      |
| 15-Apr | Wednesday |                                      |                                      |
| 16-Apr | Thursday  |                                      |                                      |
| 17-Apr | Friday    |                                      | <i>Exam (10:00-14:00)</i>            |
| 18-Apr | Saturday  | WE                                   |                                      |
| 19-Apr | Sunday    | WE                                   |                                      |
| 20-Apr | Monday    |                                      |                                      |
| 21-Apr | Tuesday   |                                      |                                      |
| 22-Apr | Wednesday |                                      | <i>Field trip (Cadaqués, Spain)</i>  |
| 23-Apr | Thursday  |                                      | <i>Field trip (Cadaqués, Spain)</i>  |
| 24-Apr | Friday    |                                      | <i>Field trip (Cadaqués, Spain)</i>  |
| 25-Apr | Saturday  |                                      | <i>Field trip (Cadaqués, Spain)</i>  |
| 26-Apr | Sunday    |                                      | <i>Field trip (Cadaqués, Spain)</i>  |
| 27-Apr | Monday    |                                      | <i>Field trip (Cadaqués, Spain)</i>  |
| 28-Apr | Tuesday   |                                      | <i>Field trip (Cadaqués, Spain)</i>  |
| 29-Apr | Wednesday |                                      |                                      |
| 30-Apr | Thursday  |                                      |                                      |
| 1-May  | Friday    | Första maj                           |                                      |
| 2-May  | Saturday  | WE                                   |                                      |
| 3-May  | Sunday    | WE                                   | <i>Field trip report due</i>         |
