Change the framework

In order to create correct lists and statistics, it is very important that the data is correct. Sometimes, students choose the wrong framework and therefore will not be shown in your list.

Framework Departmental agreement
- Erasmus exchange studies
- Nordplus
- NOREK
- Bilateral departmental agreement

Framework University wide agreements
- Bilateral university wide agreement
- Nordlys
- north2north

You can easily change the framework manually

- Open the data entry of the student
- Click on select Framework
- Click on minus to delete the wrong framework
- Click on plus to add the right framework
- Click OK
