Application for approved leave from studies

Department of Biology Education

Approved leave from studies is at most granted for one year at a time. The application should be sent as an attachment in an e-mail to info.big@su.se.

You must notify us that you are resuming your studies in writing by e-mail to info.big@su.se, latest March 1st if returning for autumn term and latest September 1st if returning for spring term. You will then be able to apply for courses at universityadmissions.se (according to regular application dates) with guaranteed admission on compulsory courses and priority on elective courses.
