Course Catalogue for Incoming Exchange Students at the Department of Psychology

General information
In this folder we have collected all the courses offered in the subject of psychology that are taught in English. Please note the level of the courses, most of our courses in English are master level courses, but we offer a selection of courses on the bachelor level also. Please also note that all courses are only available to a limited number of students.

Term dates
The academic year is divided into two terms, an autumn term (August - January) and a spring term (January - June). The term dates can be found here: http://www.su.se/english/education/student-support/term-dates
Each term is divided into four parts: Period A, B, C and D. Courses in psychology are offered full time over one period or half-time over two periods.

Course description: The course is based around a short paper that each student writes. Each student chooses something of special interest within the broad field of psychology and gathers the main ideas/theories/trends behind it in the form of a literature study (no data collection or interviews). At the start of the course there is a seminar where students present their ideas for the study and get matched with potential supervisors. The finished lit-reviews should not exceed 5-6 pages. At the end of the course there is an examination-seminar, where students present and defend their papers in pairs and get comments and grades from the teacher.

PS2STR Stress and health, 7.5 ECTS
(full-time studies, period D)
Teacher: Göran Kecklund, goran.kecklund@su.se, and Johanna Schwarz, johanna.schwarz@su.se
