Are you looking for a part time job where you get to share your experiences from our exchange studies/internship abroad?

Become an exchange ambassador!

We are looking for exchange ambassadors that can start as soon as possible and at the latest by start of the fall semester 2022. Application deadline: 7 April, 2022.

What does an exchange ambassador do?

Exchange ambassadors inspire other students to go abroad through exchange studies, internships and field studies during their time at Stockholm University. Part of the assignment is to participate in activities such as various fairs, information meetings, Welcome Activities, and other events organized by the International Office or by different departments.

By sharing your own experience, students will get the chance to hear what a fantastic opportunity this could be for them too!

In this position, you get the opportunity to learn more about the internationalization at Stockholm University (SU) as well as develop your skills in communication, presentation techniques and collaboration. As an exchange ambassador, you receive an hourly wage (120 SEK/hour). You are expected to work at least 25 working hours per semester.

In addition, we are also looking for ambassadors with a focus on CIVIS – European Civic University Alliance. The aim is to increase knowledge and interest in CIVIS among students by organizing various activities. Collaboration with other CIVIS ambassadors at our partner universities is part of this assignment. Please indicate in your application if you are particularly interested to work as ambassador for CIVIS.

We are looking for students who:
- have been/are on an exchange or have completed Erasmus internship or Minor Field Studies (MFS) at SU,
- are passionate about studying abroad and want to inspire others to do the same,
- are students at Stockholm University Spring/Summer 2022 and plan to continue their studies at SU Fall 2022,
- have a good knowledge of English in speech and writing,
- enjoy outreach work and are interested in social media and communication,
- are social, responsible and enjoy speaking in front of groups.
Application

If you are interested in working together with us at the International Office as an exchange ambassador, you are welcome to send your personal letter in which you write a short presentation of yourself, your experience abroad and what that meant for your personal development and future career. Please include a suggestion on how to increase interest in studies and internships abroad. Send us your personal letter and CV to the International Office: studentutbyte@su.se. Write SU FV-1039-22 for reference in the subject line.
