Bolin Centre for Climate Research

A collaboration between Stockholm University, KTH and SMHI

Week 8, 2019

[Click here to read the letter in your browser](#)

The Bolin Centre is a multi-disciplinary consortium of over 350 scientists in Sweden that conducts research and graduate education related to the Earth's climate.

Using R in Geosciences

Welcome to learn about R and how it can be used in your research. R is an open source programming language that is often used for statistics. The idea is to look at your data and problems and see what we can do with them in R.

Dates

Tuesday 2019-03-19, 9–12 in room U36

Tuesday 2019-03-26, 9–12 in room U13

Tuesday 2019-04-02, 9–12 in room U13

Tuesday 2019-04-23, 9–12 in room U13

Tuesday 2019-04-30, 9–12 in room U13

Teacher

Maaria Nordman, guest scientist at the Department of Physical Geography

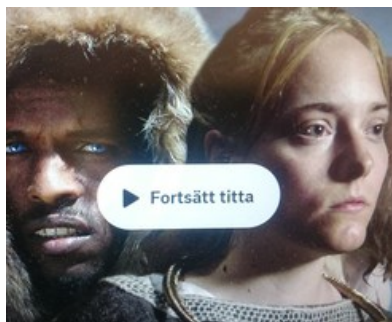

About the course

- The course is aimed at PhD students
- The Bolin Centre recommends 2 hp for this course
- If you want to enroll, please email [Maaria Nordman](mailto:Maaria.Nordman)
- Please bring your own computer to the course

BOLIN CENTRE IN MEDIA

In Swedish | Debattartikel i SvD

Ett flertal Bolincenterforskare, Regina Lindborg NG, Sara Cousins NG, Jan Plue NG och Ove Eriksson DEEP, har tillsammans med andra forskare skrivit en debattartikel i SvD. Artikelns rubrik är [Fel att offra betesmark i Sverige av klimatskäl](#).

In Swedish | De första svenskarna

I två program reser arkeologen Jonathan Lindström runt i Sverige och går i spåren efter de som befolkade landet efter istiden. I [första programmet](#) möter han Bolincenterforskarna Fredrik Charpentier Ljungqvist, Centrum för medeltidsstudier, Malin Kylander och Jenny Sjöström, båda från IGU.

AVAILABLE POSITIONS

In Swedish | Universitetslektor i naturgeografi

Institutionen för naturgeografi söker en [universitetslektor](#) i naturgeografi med inriktning mot miljöanalys samt mark- och vattenresurser.

In Swedish | Adjungerad lärare i geologiska vetenskaper

Institutionen för geologiska vetenskaper söker en [adjungerad lärare](#) i geologiska vetenskaper med inriktning mot tillämpad geologi.

BOLIN CENTRE SEMINARS AND EVENTS

22

FEB

STRIATIONS

The Geopub together with the Bolin Centre presents a [live improvisation](#) that takes sound and inspirations from exhilarating natural geological phenomena. Don't miss it, [please sign up!](#)

Time & place: Feb 22 at 17h00 in the Geoscience building

The Bolin Centre Seminar Series

The Bolin Centre seminar series is open for everyone and provides opportunities to learn about current research topics in the Bolin Centre. We strive to trigger lively discussions and facilitate both internal and external collaborations. Fika will be served, welcome!

15

MAR

Bolin Centre Seminar Series | Research Area 2

Titel: to be announced

Speaker: Paul Zieger, Dept. of Environmental Science and Analytical Chemistry, Stockholm University

Time & place: March 15 at 13h00–14h00, Ahlmannsalen, Geoscience Building

Abstract: to be announced

27

MAR

Bolin Centre Seminar Series | Research Area 3

Titel: Terrestrial moisture recycling: a land-atmosphere process with governance appeal

Speaker: Lan Wang-Erlandsson, Stockholm Resilience Centre, Stockholm University

Time & place: March 27 at 13h00–14h00, Ahlmannsalen, Geoscience Building

Abstract: to be announced

18-21

MAR

Geoscience and Society Summit

The Bolin Centre is co-hosting [the Geoscience and Society Summit](#). The summit aims to create a highly interactive forum for effective cooperation between scientists and users of scientific information to tackle global and local challenges around sustainability of natural resources and systems, global health and resilience.

Would you like to **participate as a facilitator or note taker and get a complimentary registration**? Please contact bolin@su.se.

Time and place: March 18-21, Geoscience building, Stockholm University

Registration

13-15

MAY

In Swedish | Bolincentrets Klimatfestival

[Klimatfestivalen](#) är vårt största outreach event och arrangeras årligen. 2018 hade vi över 1200 besökare som fick träffa våra klimatforskare och under lekfulla former lära sig mer om klimatförändringarna och vad vi kan göra åt dem.

Tid & plats: 13-15 maj i Geovetenskapens hus, Stockholms universitet

OTHER INFORMATION, SEMINARS AND EVENTS

Baltic Sea Science Congress, Stockholm 19-23 August 2019

Welcome to Stockholm and the [12th Baltic Sea Science Congress 2019](#). In the Royal

National Park, neighbouring the archipelago, Stockholm University will gather the marine research community for discussions on the last 10 years of Baltic Sea research and how it has adopted new interdisciplinary approaches and scientific disciplines.

Unique workshop for young scientists

Baltic Sea Science Congress and BONUS welcome young scientists to take part in a unique training session with communication trainer Nancy Baron. Read more and register at the [BONUS Young Scientist Club website](#).

Vetenskapsrådet utlyser bidrag till forskningsmiljö inom naturvetenskap och teknikvetenskap

Syftet med [bidraget](#) är att stödja forskning med ett mervärde av nyskapande tvärvetenskapligt samarbete inom naturvetenskap och teknikvetenskap, och med fler medverkande än i ett vanligt projekt. Vetenskapsrådet premierar forskning av högsta vetenskapliga kvalitet i nationell konkurrens.

The **Bolin Centre Weekly News** provides you with a selection of our current activities and latest news and is sent to all members of the Bolin Centre. If you have suggestions that you would like to include in coming Weekly News, you are welcome to send these to bolin@su.se.
