

Week 38, 2019

[Click here to read the letter in your browser](#)

The Bolin Centre is a multi-disciplinary consortium of over 350 scientists in Sweden that conducts research and graduate education related to the Earth's climate.

### Welcome to media training and the project group Climate answers by scientists

The Bolin Center regularly receives various types of climate related questions from society. Through our project group, Climate answers by scientists, we offer scientific answers in a time when it is much needed. There is a budget for the group which includes possibilities to receive reimbursement for spent work hours. Welcome to join the group by contacting [bolin@su.se](mailto:bolin@su.se)!

#### Media training

Many questions that we receive are from media. We therefore welcome you to an afternoon of media training with Roger Magnergård, former Head of Press at the Swedish Armed Forces. Magnergård will provide interview skills both through theory and practice related to your areas of expertise.

**When & where:** 27th of September at 13h00 and forward in the Navarino meeting room. E-mail [eva.gylfe@su.se](mailto:eva.gylfe@su.se) if you would like to come.

### News from Research Area 5, RA5

#### RA5 grants for autumn/winter 2019

We invite proposals for the autumn/winter 2019 call for RA5 funding. Supported activities are travel costs, conferences and workshops, invited speakers and smaller research projects including fieldwork activities. Projects can be supported with up to 50k SEK. Funding decisions will be made just some days after the deadline. **NOTE!** The deadline is **TODAY 20 September 2019**.

#### RA5 Autumn Fika

We would like to arrange a short autumn mingle for RA5 members. It would be nice if recipients of RA5 funding from 2018 or 2019 could give short presentations (5-7 minutes) about their activities like fieldwork (we love to see pictures!), new collaborations or project ideas. There is no need to have any results ready. When & where: Please choose possible days in the [doodle](#)

#### Organize a workshop for 2020?

If you think about organizing a workshop (internal or international) for 2020, please let us know. RA5 or several RA together are happy to support you and provide funding or co-funding.

Kind regards,

## BOLIN CENTRE SEMINARS AND EVENTS

24

SEP

### **Bolin Centre Seminar Series 2019 | Research Area 8**

**Title:** Spatial variation in phenology and its impact on trophic interactions

**Speaker:** Albert Phillimore, University of Edinburgh

**Time & place:** September 24, 13h00–14h00, Ahlmannsalen, Geoscience Building

**Abstract:** [HERE](#)

10

OCT

### **Bolin Centre Seminar Series 2019 | Research Area 6**

**Title:** Project GLOBAL GINKGO: Refining a palaeo-pCO<sub>2</sub> proxy using a living fossil plant

**Speaker:** Margret Steinhorsdottir, Department of Palaeobiology, Swedish Museum of Natural History

**Time & place:** October 10, 13h00–14h00, Ahlmannsalen, Geoscience Building

16

OCT

### **Working with Python on Tetralith**

**Time & place:** October 16, 10h30, Ahlmannsalen, Geoscience Building  
Representatives from the National Supercomputer Centre (NSC) will give a training event on how to use Python on the supercomputer Tetralith. The training event will focus on how to set up customised Python environments using conda.

[More information and registration](#)

22

OCT

### **The Bolin Centre PhD Day**

We welcome all PhDs within the Bolin Centre to our PhD Day which will take place on October 22 in the Geoscience building. The day will include PhD-presentations and posters, guest lectures, dinner, pub and much more. The full program will soon be published at [bolin.su.se](http://bolin.su.se). Please register by e-mailing [eva.gylfe@su.se](mailto:eva.gylfe@su.se).

19

NOV

### **Bert Bolin Climate Lecture 2019**

Every year, a distinguished Bert Bolin Climate Lecturer is invited to Stockholm to hold a popular science lecture. The 2019 Bert Bolin Climate Lecture will be given by Professor Maureen E. Raymo, a renowned scientist who has been a pioneer in the study of ice ages and sea level in Earth's history.

**When & where:** November 19 at 14h00–15h00, Aula Magna

20-21

NOV

### **Bolin Days**

Welcome to this year's Bolin Days! We offer an interesting scientific programme and fun social events.

**Time & place:** November 20-21, Nordenskiöldsalen, Geoscience Building

Please save the date, more info to come.

3

DEC

### **Bolin Centre Seminar Series 2019 | Research Area 7**

**Time & place:** December 3, 14h00–15h00, Ahlmannsalen, Geoscience Building

Please save the date, more info to come.

The **Bolin Centre Weekly News** provides you with a selection of our current activities and latest news and is sent to all members of the Bolin Centre. If you have suggestions that you would like to include in coming Weekly News, you are welcome to send these to [bolin@su.se](mailto:bolin@su.se).
