The Bolin Centre is a multi-disciplinary consortium of over 350 scientists in Sweden that conducts research and graduate education related to the Earth's climate.

The Bolin Centre is growing

The Bolin Centre is growing and we are now over 350 scientists in the centre!

The Bolin Centre Journal Club

We invite postdoctoral researchers, i.e. any researcher who has not yet got a permanent position, to the Bolin Centre Journal Club. The journal club aims to provide a meeting place for postdoctoral researchers with an interest in climate. The first Bolin Center Journal Club meeting will be on April 16, 14:00-15:00 in the Navarino room.

In Swedish | Här ska all svensk medborgarforskning samlas

Den tekniska utvecklingen gör att medborgarforskning har ökat lavinartat under det senaste decenniet. Nu ska en nationell portal hjälpa både forskare och allmänhet att hitta rätt bland appar och etik så att framtidens projekt håller hög kvalitet. Vinnova stöder projektet med tio miljoner kronor under en treårsperiod. Läs mer [HÄR](#).

BOLIN CENTRE SEMINARS AND EVENTS

8

MAY

Bolin Centre Seminar Series | Research Area 4

Titel: To be announced

Speaker: David Bastviken, Linköping University

Time & place: May 8 at 11h15-12h15, Ahlmannsalen

Abstract and more info: will soon be published at www.bolin.su.se

Lunch sandwich: will be served, please e-mail bolin@su.se if you would like one

21-23

MAY

In Swedish | Bolincentrets Klimatfestival

Populärvetenskapliga föreläsningar om högaktuell klimatforskning, klimataktiviteter med klimatforskare och mängder av klimatanknutna utställningar från olika organisationer. På Klimatfestivalen finns något för alla! Under tre dagar öppnar vi upp för allmänheten som får träffa våra klimatforskare och under roliga former lära sig mer om klimatförändringarna och vad vi kan göra åt dem.

OTHER SEMINARS AND EVENTS

20

MAR

Webinar: Harassment in the Field

Panel discussion on changes to field logistics in the context of the #MeToo movement and recent allegations of harassment in the McMurdo Dry Valleys focusing on what to do as a member of a field team or a team leader if you witness harassment, helpful best practices to avoid it in the first place, and systemic changes needed within polar science organizations.
