The Bolin Centre is a multi-disciplinary consortium of over 350 scientists in Sweden that conducts research and graduate education related to the Earth's climate.

Dear Bolin Centre Members,

We hope you had a pleasant summer! The Bolin Centre Weekly News are now back. We are looking forward to a successful fall full of excellent science and interesting activities.

Best wishes,
Nina, Alasdair, Karin and Annika

Bolin Centre scientist Patrick M. Crill - new AGU Fellow

Each year since 1962, the American Geophysical Union, AGU has elected Fellows members whose visionary leadership and scientific excellence have fundamentally advanced research in their respective fields. This year, 62 members will make up the 2018 class of Fellows. We are happy to announce that Bolin Centre scientist Patrick M. Crill is one of them! Read more [HERE»](#)
