

Department of Physics

## Course information for LADOK

Please fill in the following form and send it to [studentexp@fysik.su.se](mailto:studentexp@fysik.su.se)

Name and code of course: .....

This course will be taught by .....

The official examiner will be .....

If the course has a written exam:

Date of written exam: .....

To be peer reviewed by: .....<sup>1</sup>

The final grade will be based on the following assessments which will be shown as columns in LADOK. Also indicate the information needed for each assessment form. The choices are: tickbox, number (please indicate the range), free text or a date. An example is shown on the next page.

Name	Type (tickbox, number, text, date)

---

<sup>1</sup> We want to encourage everyone to let another, fresh, pair of eyes look at the exam before it is given to the students. This is best practice at many other places and may become part of our quality assurance routines. This information will not be recorded in LADOK.

Example:

Lab report	Tickbox
Bonus points	1-5
Written exam	1-20
