

The Stockholm Arbitration Scholarship for the Master in International Commercial Arbitration Law Programme

The Stockholm Arbitration Scholarship (SAS) sponsored by Vinge law firm will cover a full-tuition scholarship for a student to participate in the Master in International Commercial Arbitration Law programme (ICAL program) at Stockholm University for the academic year 2024-2025.

The ICAL programme is a globally recognized and top-ranked LL.M programme specialized in international arbitration. Every year about 30 students from around the world participate in the programme and learn both theory and practice of arbitration law from prominent academics, arbitrators, and other practitioners.

Stockholm is a leading venue for international arbitration, home of the Arbitration Institute of the Stockholm Chamber of Commerce, and hosts a thriving commercial and arbitration legal community which supports and collaborates with the ICAL programme. During the past decade, the ICAL programme has established a wide network of alumni who actively work in arbitration and commercial law in key firms, companies and organizations around the globe. By participating in the ICAL programme, students also join the ICAL global network.

Vinge has been awarded the “Top firm in Sweden” in 2023 year’s World Trademark Review. The award is the guide’s premium award and is based on interviews and reviews of the quality and complexity of legal advice.

“Full-service powerhouse Vinge maintains its position as one of the most popular and prominent firms on the market, with praise flowing in from all corners. “It is the firm that stands out the most”, enthuses one peer. “It is one of the biggest competitors in Sweden; the team is exceptionally skilled and well-resourced, the service is high-end and super sophisticated, and if you want the very best, you go to Vinge.”
