WELCOME TO THE SECOND ANNUAL MEETING, AUGUST 10-12 2020

The Arctic Avenue second annual meeting is planned to be held at the Kilpisjärvi Research Station on the 10th-12th of August 2020. Due to the current exceptional circumstances caused by the Corona pandemic, we have however decided to draft two options for the meeting.

Realistic Plan A

In case the Corona pandemic has not died down by August, we will hold it as a remote Zoom meeting during the original dates.

Idealistic Plan B

If the Corona pandemic has died down, and people are allowed to move freely again, the meeting will be held at Kilpisjärvi Research station in Finland as planned. Plan B also includes the option to participate remotely via Zoom.

Do not cancel travels plans yet

We sincerely hope the world is over the worst by August. IMPORTANTLY, those of you who have already booked your travels, please do not cancel yet, as we still hope to be able to arrange the meeting at the Kilpisjärvi Station surrounded by the magnificent northern nature!

We will keep you posted via our [webpage](#) and emails.
