

Tarfala Research Station (TRS) is located at 1130 m asl in the Kebnekaise Mountains, northern Sweden, and is run by Stockholm University. TRS welcomes scientists from all disciplines to conduct research in a unique arctic-alpine environment.

SAFETY AGREEMENT FOR STAYING AT TARFALA RESEARCH STATION, TRS

I have been informed about and understand the safety regulations for staying at TRS and I commit to follow them.

I understand that I am responsible for my own safety and to plan all my activities, both professional and leisure, together with the station manager in order to minimise risk exposure.

I agree to always respect my group leader and the station manager's assessment and safety regulations.

I understand that it is not permitted to use station equipment such as snowmobiles, safety gear, research or workshop equipment without permission from the station manager.

I am responsible that any minor(s) in my care follows the safety instructions as well.
