

Fysikum: important contact information

Emergency number and security guard number, Stockholm University

Call **SOS alarm**, number **112**:

In the event of acute emergencies involving a threat to life, health, or property, to call/report emergency service, ambulance, police or poison information.

SU's emergency number for special incidents and crisis, and **SU's security guard number** for security guarding:

08-16 42 00 (if the switchboard is down, alternative number: **08-15 42 00**). The number is available every day, around the clock. Ask to speak to a security guard at Stockholm University Albano.
