RESEARCH AREA

My research interests center around the socioeconomic integration of immigrants and their descendants, social inequalities, health inequalities, the social determinants of fertility outcomes, and the application of quantitative longitudinal research methods.

EDUCATION

- **PhD candidate in Sociological Demography**, Stockholm University, Stockholm, Sweden. Expected February 2025.
Thesis supervisors: Siddartha Aradhya, Sven Drefahl, and Martin Hällsten.
Thesis Title: Unrealized Potential: Overqualification and its Consequences among Second-Generation Children of Immigrants in Sweden.
- **Swedish INterdisciplinary Graduate School in register-based research (SINGS)**, Karolinska Institutet, Sweden, 2023.
- **MSc in Economic History specialized in Economic Demography**, Lund University, Lund, Sweden. 2020. Thesis supervisor: Martin Dribe.
Thesis Title: Does Order Matter? The relationship between premarital pregnancy and woman's career interruption in South Korea.
- **BA in Economics & Communication Studies (dual degree)**, Seoul National University, Seoul, South Korea, *Summa Cum Laude*. 2018
(Military service, Republic of Korea, 2014-2016).

PUBLICATIONS

- Kim, W. (2024) **Overqualification among Second-Generation Children of Immigrants in the Swedish Labour Market**. *European Journal of Population*. 40(1), 34. <https://doi.org/10.1007/s10680-024-09723-5>

WORKING PAPERS

- Kim, W., Juarez., S.P., Dunlavy, A., Drefahl, S. & Aradhya, S. (2024). **Labor market disadvantages and mental health among the second-generation children of immigrants in Sweden. A population cohort study**. Stockholm Research Reports in Demography. Manuscript submitted to a journal DOI: <https://doi.org/10.17045/sthlmuni.27101596.v1>

- Kim, W., Lai, W. & Neyer, G. (2024). **Growing significance of employment uncertainty on fertility intention in Sweden: Results from the Generations and Gender Surveys.** Stockholm Research Reports in Demography. DOI: <https://doi.org/10.17045/sthlmuni.26088205.v1>
- Kim, W., Grotti, R. & Aradhya, S. (2024). **Is overqualification a stepping stone among children of immigrants?.** Stockholm Research Reports in Demography. Manuscript submitted to a journal. DOI: <https://doi.org/10.17045/sthlmuni.25428034.v2>
- Carlsson, E. & Kim, W. (2024). **Do depression and loneliness affect fertility intentions and their realisation? Evidence from Norway and Sweden.** Stockholm Research Reports in Demography. DOI: <https://doi.org/10.17045/sthlmuni.25153211.v1>

ONGOING RESEARCH

- Kim, W. Earnings trajectories and overqualification among second-generation children of immigrants in Sweden.
- Trappolini, E., Kim, W., & Alderotti, G. Overqualification and job satisfaction among migrants in Italy

PROGRAMMING SKILLS

- **Statistical Software:** Stata (advanced), R (intermediate),
- **Other Software & Programs:** LaTeX (intermediate)
- **Relevant Coursework:** PhD-level course “Statistics with R: From Data to Publication Figure,” Karolinska Institutet (3 ECTS)

CONFERENCE PARTICIPATION

- **Kim W.**, “Earnings trajectories and overqualification among second-generation children of immigrants in Sweden”, *Swedish Register-Based Research Summit SWE-REG 2024*, Stockholm, Sweden, December 2024 (Oral presentation).
- **Kim W.**, “Labor market disadvantages and mental health among the second-generation children of immigrants in Sweden”, *European Consortium for Sociological Research General Annual Conference 2024*, Barcelona, Spain, September 2024 (Oral presentation).
- **Kim W.**, “Is overqualification a stepping stone for career progression among children of immigrants?”, *European Population Conference 2024*, Edinburgh, UK, June 2024 (Poster presentation).
- **Kim W. (first author)**, presented by Siddartha Aradhya, “Is overqualification a stepping stone for career progression among children of immigrants?”, *Population Association of America Annual Conference 2024*, Ohio, USA, April 2024 (Poster presentation).

- **Kim W.**, “The interrelation between unemployment and overqualification among second generation and ancestral population in Sweden”, *Swedish Register-Based Research Summit SWE-REG 2023*, Stockholm, Sweden, November 2023 (Oral presentation).
- **Kim W.**, “The interrelation between unemployment and overqualification among second generation and ancestral population in Sweden” *European Consortium for Sociological Research General Annual Conference 2023*, Prague, Czech Republic, 2023 (Oral presentation).
- **Kim W.**, “The interrelation between unemployment and overqualification among second generation and ancestral population in Sweden”, *British Society for Population Studies Annual Conference 2023*, Keele University, UK, September 2023 (Oral presentation).
- **Kim W.**, “Overqualification among second-generation immigrants in the Swedish labor market: Using Swedish total population register”, *Population Association of America Annual Conference 2023*, New Orleans, USA, April 2023 (Poster presentation).

- **Kim W.**, “A recent trend in educational mismatch among the second generation in Sweden: A register-based study”, *Swedish Register-Based Research Summit SWE-REG 2022*, Stockholm, Sweden, November 2022 (Oral presentation).
- **Kim W. (co-author)**, presented by Erik Carlsson, “Do depression and loneliness affect fertility intentions and their realization in Sweden and Norway?”, *PopFest: 28th Annual Postgraduate Population Studies Conference*, Florence, Italy, October 2022 (Oral presentation).
- **Kim W.**, “Association between skills mismatch and depression among Korean employees: Using the 6th Korean Working Conditions Survey”, *European Population Conference 2022*, Groningen, the Netherlands, June 2022 (Poster presentation).
- **Kim W.**, “Educational mismatch among the second generation in Sweden: A register-based study”, *Nordic Demographic Symposium*, Oslo, Norway, June 2022 (Oral presentation).
- **Kim W.**, “Growing significance of employment security on fertility intention in Sweden: Results from Gender and Generations Surveys ”, *Nordic Demographic Symposium*, Oslo, Norway, June 2022 (Oral presentation).

ACADEMIC SERVICE

- Reviewer for leading academic journals including *Advances in Life Course Research*, and *Genus*.

TEACHING EXPERIENCE

- **Karolinska Institutet**

Methods for Studying the Distribution of Health, 2024

Co-organized and facilitated a lab session on Life Tables, guiding students through hands-on demographic analysis and supporting applied learning of statistical methods in health distribution.

- **Stockholm University**

Basic Demographic Methods (Master's Level), 2020–2024

Delivered lectures on key demographic measures in fertility and migration, designed and led interactive Q&A sessions, and provided guidance on foundational concepts and quantitative techniques in demographic analysis.

RESEARCH VISIT & AFFILIATIONS

- **Visiting PhD student**, Department of Public Health Sciences, Stockholm University, November 2023 - June 2024. Hosted by Associate Professor Sol Juarez sol.juarez@su.se.
- **Visiting PhD student**, Department of Sociology and Social Research, University of Trento, Trento, Italy. January 2023 - April 2023. Hosted by Associate Professor Raffaele Grotti raffaele.grotti@unitn.it.

AWARDS AND HONORS

- **Donation Scholarship**, Stockholm University, 2021 - 2023. 56,000 SEK (Approx. 5,000 EUR).
- **Lund Global Scholarship**, Lund University, 2018 - 2020. 120,000 SEK (Approx. 10,500 EUR).

STUDENT ACTIVITIES

- **Doctoral Student Council at the Department of Sociology, Chair**, Stockholm University, 2024.
- **Doctoral Student Council at the Department of Sociology, Treasurer**, Stockholm University, 2023.

LANGUAGES

- **Korean** Native
- **English** Fluent
- **Swedish** Intermediate
