IGV Administration

- **IGV economy.** Annual Report for 2024 and Budget for 2025: Now complete. Thanks Viktoria and the economy team. This will be presented at the IGV board meeting 14th March.
- **IGV teachers: Time to register secondary employment (bissyslor) status for 2025:** very important all must do!! Note teachers: getting fees for reviewing proposals participating in external recruitments, or teaching on an additional course/summer courses within your subject, regarded as part of your typical duties as an academic/teacher and does not count as secondary employment. Other consulting does. Contact Helen/Viktoria if you have questions about if an activity counts.

IGV Recruitment

Research

- N/A

PhD students

- **PhD student defense Tzu-Hao Huang:** 2025/04/16, Decoding Marine Silicate Alteration: A Case Study in the Ulleung Basin (East/Japan Sea) (Wei-Li Hong)
- **PhD student defense Paulina Nordfeldt:** 2025-04-29, The Åkulla Volcanic-Hosted Au-Te Deposit, Skellefte District, Sweden (Iain Pitcairn)
- IGV PhD students to University of the Arctic, Svalbard for a course: 3 from IGV will participate in the 6-week long course 'The marine cryosphere and its Cenozoic History'. Matt O'Regan, Martin Jakobsson, Felicity Holmes from IGV will contribute as teachers for segments of the course.

Teaching

- **Otto Hermerlin** will visit Marina Lärovärket a gymnasium in Danderyd: will give a presentation on the Azores, which Otto is an expert on, to a class who will go on a 1 month sailing expedition around the islands. He will also present our programs. There may be students there who could be interested in our programs.
- **CIVIS:** New international Master's Programme in Transdisciplinary Studies of Climate, Environment and Energy TRACEE: Application is open 17th February to 31st March. Alasdair Skelton has been a pioneer in this: 11 European Universities/Countries

Administered by ACES. This could mean more students in some of our masters and 3rd year level courses

Seminars

- **Avonova** (Occupational Health Centre) seminar on stress in the working environment:
- **Bert Bolin Climate Lecture 2025**, 7th May 2025, Tid: 14:00 - 15:00, Plats: Aula Magna. This year's Bert Bolin Climate Lecturer is Professor Paulo Artaxo from the Center for Amazonian Sustainability, University of São Paulo, Brazil. Lecture title: 'Climate Change and the Amazon Forest: a close relationship'

Other

- **Introductions:** Peter Heinzman introduced two new postdocs IGV/CPG: Inda Brinkmann and Scott Cocker.
- **Fire alarm** test 11th March
- Next Monday meeting March 17th 2025
- **Carina Johansson:** Reported that this week Akademiska Hus/Fastighetsavdelningen will be installing 6 x sensors around IGV to monitor temperature in the building.
